October 9, 2020

Peoria Neighbors,

Every week we get an important piece of mail that includes our credit card number, social security number and other personal information. Consumers must protect this information and make sure that it does not get into the hands of the wrong person.

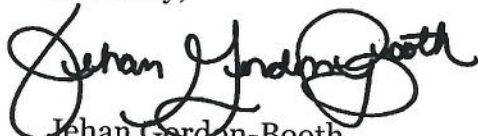

If this sensitive information falls into the wrong hands, people can open fraudulent accounts, create counterfeit checks, and take out loans on their unsuspecting victims. Unfortunately, most of us know someone who has spent hundreds of dollars and countless hours trying to get their identity back.

In an effort to help consumers and businesses protect their personal information, I am hosting my **10th Annual Community Shred Day on Wednesday, October 21 at the North Parking Lot of the Landmark Recreation Center, located at 3225 Dries Lane in Peoria, from 9 AM to 11:30 AM.** I invite you to bring by any personal papers, computer disks, tapes, or hard drives that you need to safely destroy, and they will be securely disposed of for free. Remember, this is for the disposal of sensitive information to protect your identity please refrain from bringing items that you normally recycle. **There is a limit of 10 boxes per household or business.**

AAA Confidential Security Corporation, a NAID Certified shredding company, will be on hand to ensure that your sensitive documents are destroyed properly.

By participating in my free Community Shred Day, you will help protect yourself from identity theft and help preserve the environment by recycling. For more information on my free Community Shred Day or any other issue, please contact my constituent service office at (309) 681-1992.

Sincerely,

Jehan Gordon-Booth
